**Mix all shakes in 11 oz. of purified water. In addition to shakes, drink a minimum of 48-64 oz. of purified water throughout the day.		2 servings of vegetables or fruit per day. May be mixed in shakes.

TIPS:

- You will feel less hungry and achieve the best results if you follow the plan of five evenly spaced meals throughout the day.
- If well tolerated, a full dose of Active Calcium is also recommended during the cleanse.
- If at any time during the cleanse you feel faint or light-headed, take a short break from your activities. If the symptoms continue, consider supplementing with an additional shake or bar.
- Flavor variety helps make the cleanse easier. Try having two flavors of Nutrimeal, Fibergy, and Nutrition Bars on hand. Also, cucumbers, celery, radishes, carrots, and/or dark, leafy vegetables may be substituted for Nutrition Bar snacks.
